Date _____

Preparation of "Gift of Personal Statement"

- A. If you do not wish to impose restrictions on the use of your tape and transcript and if you do not feel the need to retain literary property rights upon the material, please sign the enclosed statement and return it to the Oral History Project.
- B. If you wish to restrict the use of your transcript for a period of time beyond the date of the opening of the Johnson Library, a new statement will be prepared (either by you or by us) deleting paragraph 2 and substituting the following, with one of the alternatives:

It is the donor's wish to make the material donated to the United States of America by the terms of the instrument available for research in the Lyndon Baines Johnson Library. At the same time, it is his wish to guard against the possibility of its contents being used to embarrass, damage, injure, or harass anyone. Therefore, in pursuance of this objective, and in accordance with the provisions of Sec. 507 (f) (3) of the Federal Property and Administrative Services Act of 1949, as amended (44 U.S.C. 397) this material shall not,

for a period of _____ years

or

during the donor's lifetime

or

for a period of _____ years or until the donor's
prior death

or

for a period of _____ years or until _____
years after the death of the donor, whichever occurs
earlier

or

for a period of _____ years or until _____
years after the death of the donor, whichever occurs
later

be available for examination by anyone except persons who have received my express written authorization to examine it.

- C. If you wish to have the restriction imposed above apply to employees of the National Archives and Records Service engaged in performing normal archival work processes, the following sentence will be added to paragraph 2:

This restriction shall apply to and include employees and officers of the General Services Administration (including the National Archives and Records Service and the Lyndon Baines Johnson Library) engaged in performing normal archival work processes.
