

A decorative border of thin, swirling lines with small, stylized flowers and leaves surrounds the text. The border is composed of several overlapping loops and curves, creating a frame for the central text. The flowers are simple, with five petals and a central dot. The leaves are small and pointed. The entire border is rendered in a light gray or blue color.

God
Keep You
in
His Care

God is our refuge
and strength...

PSALMS 46:1

With God's help,
God's grace,
and God's love,
may you be blessed
and strengthened
today and every day.

These are the prayers and
hope from me and my family.
