Dear Papa,

Thank you for loaning me your credit card.
I didn't use it and I'm sorry that I forgot
to return it.

I hope you are feeling better. We are all concerned
that you are not getting adequate care for yourself -
I know that the house repairs are not yet over
but do not let that get in the way of your health.
I know you would give me the same advice if I
were ill and not taking care of it.

I am doing well and am getting ready for work
to start up again. Summer goes by so quickly!
Please let me know how you are doing -
I love you and Mamma too. Susie
