Dear Dr. Garcia,

By now you should have received a letter sent out by Ron White, my Assistant Commissioner, informing you of the newly proposed pesticide regulations.

Because this is an important issue facing the Mexican-American community, I want to ask you to help us out by reviewing it.

We've worked real hard on these regulations and we would like for you to let us know if you are in support of our actions.

If you have any questions, please call my Special Assistant, Nora Linares, at (512) 475-6346. I look forward to hearing from you.

Best regards,

Jim Hightower
