You're A
Wonderful Person

State of Illinois

"Love blossoms
in the hearts of those
who've learned to give and care—
and just like springtime flowers,
it brings gladness everywhere!"

Dearest Doctor

*A Special Mass in your
honor at the Church of
St. Marks will be said
by Bishop Placido Rodriguez
On Easter Sunday at 10:45*

We love you very much.

*You're a wonderful person
Who's so nice to know,
For you make others happy
Wherever you go—
The warm, thoughtful ways you have
Set you apart
As somebody special
Who's truly "all heart"—
No wonder you're wished
All the best things there are
And the loveliest Easter
That you've had so far!*

*Have A Wonderful Easter
and Springtime*
