Dear Mr. West:

Thank you for your letter regarding House Bill 358 and Senate Bill 122.

I will support legislation that will help South Texas receive the quality higher education that it deserves. Having a four year university in Corpus Christi will be a step in the right direction.

If I may be of service to you in any way, please feel free to contact my office.

Sincerely,

A handwritten signature in black ink, appearing to be "Robert Eckels", written over the typed name.
