Gilbert = Return
Tome

Dear Dr. Garcia,
Our family hopes that this letter finds you
recovered from your illness and that your
family is in good health.

I phoned you last month to inform you that our
family has set a target date to move back to C.C. TX
for Oct. 27, 1988. I will become eligible for paid
retirement Sept. 30, 1988 when I reach 55 yr of age from
the Brotherhood of Teamsters Union. I am presently
employed by Minton Co. in Nat. View CA in classification
of truck driver at a pay scale of \$15.00 per hr plus
health and welfare benefits of paid: hospitalization,
prescriptions, eye, dental for all the family plus paid
vacations.

In our conversation I told you that I had read that Navy
Sect. John Lehman had announced the awarding of
HomePort to C.C. TX for the battleship USS Wisconsin. A
great number of jobs and positions will be created at the
planned Ingleside Point Facility Naval Base and also
at the C.C. TX N.A.S.. I respectfully requested your
assistance in landing a good job or position that would
provide me a permanent employment opportunity and
move back to C.C. TX three years sooner than planned.
You asked me what I wanted in terms of employment,
a question that I cannot answer until I know what is open
and available.

I WAS hired by the C.C.TX N.A.S. Overhaul & Repair Div. After being discharged From the U.S. Marine Corps. In 1957 I WAS Layed-off so I brought my Family to CALIF. TO seek employment AND stayed 28 yrs. In 1958 the C.C.TX N.A.S. Overhaul & Repair Div. recalled me to work in an upgraded job but I WAS already permanently employed in CALIF.

I HAVE 3 yrs in the U.S. Armed services, 2 yrs at the C.C.TX N.A.S., AND 6 months with the U.S. Postal Ser., so it could be that A Civil Service Classification job in C.C.TX would put me in a position to work for a second retirement.

Should the case be that I would be hired in C.C.TX on a permanent basis, I would resign from my present job AND would freeze my retirement from the Brotherhood of Teamsters which would NOT pay me retirement pay untill Sept. 30, 1988 when I reach 55 yrs.

We are preparing our home to put up for sale AND have received the Del Mar College catalog to check-out the transfer policy for our daughter JACQUALINE, who attends West Valley College in Saratoga CALIF. My wife Molly AND daughter JACQUALINE will arrive in C.C.TX Dec. 18, 1985 to look for property in case our move back to C.C.T. is sooner than our prior plans. I have received an C.C.TX N.A.S. Application that I will fill AND send-out.

The information I have received on the HomePort Project is the following:

1. HomePort Awarded C.C.TX Aug. 1985
2. Building From scratch a NAVAL BASE
3. NAVY HAS ESTABLISHED AN ON-SITE TEAM TO BEGIN PREPARATIONS FOR THE ARRIVAL OF THE BATTLESHIP USS WISCONSIN, SOME OF ITS SISTER SHIPS AND THE AIRCRAFT CARRIER USS LEXINGTON
4. THE DEPT. OF DEFENSE HAS BEGUN ADVERTISING FOR BIDS TO COMPLETE AN ENVIRONMENTAL IMPACT STATEMENT TO BEGIN IN DEC. 85 AND FINISH DEC. 86.
5. Description OF CONSTRUCTION OF FACILITIES
 - A. WATER SIDE - Which involves dredging, Piers, bulkheads, Pier Utilities
 - B. SHORE SIDE - Utilities, Site Preparations etc.
 - C. VERTICLE - Operations, training, Administration, bachelor housing etc.
6. C.C.TX HomePort Projected to become OPERATIONAL IN 1989 BRINGING AN ECONOMIC IMPACT TO C.C.TX OF \$500 million PER YEAR.

Receve regards From my FAMILY TO YOU
Your FAMILY AND STAFF.

Sincerely

Lilberto Jasso
