Dear Doctor,

I've been busy because I passed the testes but now , finally, I am specialist in Ob. Gy. Anyway my study don't finish here, because I'll start another specialitation and I must study too for practice in the States I'll have the testes in the next July and September, I hope!!

I miss you and often I think, I talk about you and my days in Corpus Christi.

The things doing very well I hope that you are in good health and that you have, at least, a little rest away the job.

I hope to see you very soon.

Give me an hélo for your wife and yours daughters.

Hasta la vista.
