Dear Mr. Martinez:

Enclosed please find authorization forms for an eye examination and one for a general physical examination.

The eye examination has been authorized to Dr. Bryson, 3166 Reid. We contacted his office and he stated that he wanted to see you himself. The earliest appointment we could for you was for:

SEPTEMBER 24th, AT 3:15 P.M.

We hope this appointment is convenient. Please deliver the enclosed papers to Dr. Bryson when you keep this appointment.

Also, contact Dr. Craig as soon as possible for an appointment for the general physical examination and deliver the enclosed forms to him.

As soon as we receive the results of both of these examinations, we will contact you for further planning.

Yours truly,

(Mrs.) Mary Ann Guerrero
