Dear Dr. Garcia:

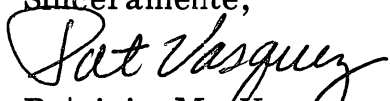

I am enclosing the most recent statewide vacancy listing of the Texas Department of Mental Health and Mental Retardation in hopes that you might know of qualified Mexican Americans who might wish to apply.

Assuming that such positions are not widely advertised, perhaps you could circulate the information in your area.

For your information, MALDEF's Chicana Rights Project is monitoring several state agencies as to their employment of minorities, especially Mexican Americans. Therefore, should you know of any individuals who want to get into state employment, please pass on the enclosed info.

Saludes y mejores deseos para un propspero ano nuevo.

Sinceramente,

Patricia M. Vasquez, Esq.
