Dear Doctor,

It was nice hearing from you and, believe me, I've been doing my best in trying to keep up with my correspondence. Well, I also received a letter from Mr. Casarez of San Antonio. Long before this, however, Nick and myself have been talking about re-activating the groups here. You see, Nick started with us in this law firm, but has recently left us and has been working for the District Attorney's Office in the Juvenile Division. So I don't see him everyday and the last time I saw him he promised me the list of the old members. I should get all the information by the end of this week. We are going to call a meeting and elect officers by the latest next week.

Since I am not aware of all the changes since I became inactive, please advise me as to the dues. I don't know what amount is retained by the local chapter, how much is sent to the State Office and how much is sent to the National Office. If I could get this information by the time I call the meeting, I would appreciate it. Thank you.

Yours truly,

Felix
