Dear Dr. Garcia:

Mario Obledo tells me that you have graciously agreed to speak at the luncheon with which we shall begin the first annual general membership meeting of the Southwest Intergroup Relations Council. This will confirm the engagement and the time and place of the luncheon: Friday, March 13th, 12:30 P.M., at the Continental Denver Motor Hotel, Denver, Colorado.

I am particularly pleased that you will be our first speaker and thus will be able to set the keynote for the meeting, for I know that you are eminently qualified to do so, both by your experiences and your spirit. I recall our conversation in your office, more than two years ago, about the possibility of forming an organization such as this one. You said that you were for "anything that will increase understanding of difference."

If you have, already prepared, a biographical sketch and two glossy photographs of yourself, we should appreciate having them for use with the Denver newspapers.

We shall reserve a room for you at the hotel for the evening of March 13th. If we can assist you in any other way, please let us know.

With all good wishes and high regard,

Sincerely,

Edwin Stanfield
