Corpus Christi, Texas

Dear Dr. Garcia,

On behalf of the Red Cross and patients of the Naval Hospital we wish to thank you and the members of the G. I. Forum for the visit they made to the hospital in December. Never have we seen such an abundance of fruit, cookies and refreshments, as well as good cheer and willingness to be of service.

We appreciate the effort that Mrs. De Ases and the ladies of the Forum put into the visit. Coming from Robstown was no small task at such a busy time of the year. We hope they will plan to come again during the year when we actually have more patients. At Christmas time every effort is made to allow patients to go to their homes and the patient census is lower than usual.

With all good wishes for continued success in the G. I. Forum projects, we remain

Yours sincerely,

Dorothy E. Raine
