Dear Dr. Garcia:

As I promised, I am sending you the name and address of the Executive Director of the Stern Foundation. That information is contained below. If I can be of any assistance in your dealings with them, please let me know how.

I enjoyed meeting you over the weekend in Denver and only regret that we did not have time to talk at length. I was very impressed with some of your comments during the meeting and look forward to working closely with you.

Sincerely yours,
