Dear Friends of Right To Life,

You are cordially invited to attend the first ANNUAL MEETING of the Corpus Christi Right To Life Committee, which has newly organized. This very important meeting will be held on Tuesday, April 23rd, at 7:30 P.M. at the State National Bank building on Shoreline in the Community Room. Election of officers and Board of Directors will be held and the work of the local group, past and future, will be presented. Plans for action on the new "Right To Life" National Constitutional Amendment will be discussed and volunteers for the various committees, such as, Speakers Bureau, Finance, Special Gifts, Membership, Youth Activities, and Library, will be gratefully accepted. The meeting is open to the public and it is hoped that all you who are interested in protecting the life of the Unborn Child will attend to show your support, which is needed now more than ever since the Supreme Court's decision legalizing abortions.

For your information when you vote in the May 4th Primary Election, these are the results of a questionnaire we sent to all local candidates for State Office regarding their stand on abortion: State Rep., District 48, Place 2: Jerry Smith and Brad Coleman are AGAINST abortion; Emanuel Saldana and Carlos Truan did not reply. STATE REP., DIST. 48, PLACE 3: Joe Salem is AGAINST abortion; Ernest Bohannon is FOR abortion; Dr. G. Trevino is against "some abortions" but "needs to study the issue more". Governor's Race: Dolph Briscoe and Frances Farenthold did not reply.

I would like to mention that "Seals and Crofts", nationally prominent recording artists, have just released their new album called "Unborn Child". All Pro-Life organizations congratulate them and hope the record is a big success. Please call our local radio stations and ask them to play this record. "Seals and Crofts" will be appearing in Corpus Christi on April 21st and will feature this record at their performance here.

Please do make plans now to attend our important meeting on April 23rd. We need your support to be able to carry on our fight to protect the life of the defenseless Unborn Child, millions of whom are now being slaughtered. I'll be looking forward to seeing you there.

Sincerely,

Mrs. Albert T. Slavik
