Re: Doroteo Trevino

Dear Dr. Garcia:

You will recall that the above named person and one other young man were arrested erroneously by the Cameron County Sheriff's office on a robbery matter. I sent you a copy of the correspondence. The Sheriff's office returned the photographs of these young men to me and advised me that no finger prints were taken. The Sheriff also wrote a letter of apology and explanation to the people involved.

Sincerely yours,

EDWARDS & DE ANDA
