Dear Dr. Garcia:

Congratulations on the honor of having Greenwood Park renamed after you. This is an honor that you have certainly earned and your accomplishments in our community prove it.

It is with deep regrets that I will not be able to attend your reception or dedication ceremony due to a schedule conflict which will find me out of the state, but let me assure you that my thoughts will be with you.

Again, congratulations and continued success in all of your endeavors.

With warmest regards, I remain

Sincerely,
