Jerry Holleman
United States Department
of Labor
Washington, D.C.

Dear Mr. Holleman:

I want to compliment you on the fine work on the Commutter Problem. I believe that we have made a start on the right direction, and I feel confident that ~~things~~ will be moving fast.

The main purpose of this letter is to ask you again, what happened to the investigation we requested from the Department of Labor concerning the discrimination against the Catholic Priest in Imperial, Texas.

We know that the investigation started because we got word that the investigator would be sent out of Dallas.

Will you please look into this matter as soon as possible. I certainly want to thank and compliment you for the fine work that you are doing. I want to sincerely congratulate the Department of Labor for the fine work that they have done in trying to give the American people of Mexican origin and other American citizens, a decent standard of living.

You can check with your department of labor men, about the Imperial Case. Please answer as soon as possible.

Thank you very much.

Sincerely yours,

Hector P. Garcia, M.D.
