National Chairman of Board 3024 Morgan Ave. Corpus Christi, Texas

Dear Hector:

I do not have the Kingsville and Bishop Auxiliary groups as having paid for their charters. It may be they paid you, but the list given to me did not have them. The Loving GI Forum Auxiliary was not listed in the ones given to me.

The McAllen GI Forum and the Beeville Auxiliary checks were received.

Violita, will you please see if you have a copy of a letter that I sent to the Executive Secretary, Simon Rodriguez in which I included the amount that I determined the national office owed the Texas GI Forum. I made three copies of the letter, one for Rodriguez, one for Dr. Garcia, and I kept the third copy. I have misplaced my copy and therefore cannot find out how much it was determined we owed the Texas Forum. I need it because Mr. Rodriguez tells me that he will accept my inventory. If you do not have a copy of this letter, please inform me as to the property that belonged to the Texas Forums. That is caps, pins, patches, etc. Do this right away please.

Vicente Jasso, the New Mexico State Chairman will go with me to Plainview.

The Fair Employment Practices Commission meets next Monday Sept. 24. The Director of the Commission talked to me today and tells me that the Brotherhood of Firemen and Enginement refused to furnish him with their constitution. I'll tell you more about it later.

Tu amigo Chente
