Dear Dr. García;

Thank you so much for the wonderful evening con la familia Garcia. I was so honored to be recognized by a family that has done so much for others and whose accomplishments are so well known throughout the country. And it made my mother so happy to see me receive that recognition from you and your family.

I am returning the large photograph you sent me for a signature. But I have to tell you that it makes me feel so humble to be sending you an autograph when it should be you sending one to me. I hope that some day you will sign my photograph.

Thank you again for the evening and for the pictures, and I look forward to seeing you soon.

Normita
