Dear Dr. Garcia:

Thank you for your letter to Clayton Williams regarding problems of "Las Colonias." Your thoughts on this matter are important to Mr. Williams and he wants you to know that he is always open to your suggestions.

Mr. Williams has visited one of these subdivisions and has observed first hand the conditions of the "Colonias." He shares your concern about living conditions in these areas. He has asked members of his staff to gather information on such things as access to health care, education opportunities, housing, etc. in the colonias.

Any information you could provide to us will be appreciated. Thank you for writing to Mr. Williams as you did.

Sincerely,

Stan Burnham
Public Liaison
