Dear: Dr. Garcia

Enclosed are copies of correspondence relative to the appointment of two Mexican-American representatives to the Regions, Compacts, and Districts Committee.

As my letter of December 18 indicates, I had hoped the members would be appointed prior to our census hearings in March of this year. I again spoke to the Speaker about the importance of the appointments on May 19, just prior to the committee meeting at which he announced the appointments. The appointment of Mexican-American members was essential to the committee's work. And I am confident that Representatives Hector Uribe and Hugo Berlanga will do a good job.

We expect to have a tentative schedule of the fall hearings and hearing procedure finalized soon and will be back in touch at that time. If you have any suggestions or comments, please let me know.

Sincerely,

A handwritten signature in cursive script that reads "Tim".

Tim Von Dohlen
