Dear Dr. Garcia:

Thank you so much for your very kind invitation to speak to the group at Judge Gonzales' luncheon on Monday. It was an honor and a pleasure for me to have the opportunity to discuss my candidacy before yourself and the other very active and influential members of our community.

Having known Judge Gonzales since before either one of us were judges (!), I know that he is a man of the highest character, a devout Catholic and a fair judge. I was practicing in Brownsville at the time he was appointed to the District Court bench there and I have appeared in front of Judge Gonzales a few times when he was a state district court judge. He has already served well as a Supreme Court Judge and I know he will continue to do so in the future.

Thank you again for the opportunity presented by the meeting. I hope to serve you and all the people of Nueces County in a manner which you will be proud.

Sincerely yours,

Paula Waddle
