Dear Dr. Garcia:

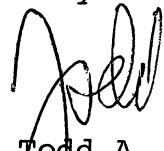

I just finished reading the insightful "High Profile" section which profiled you in the August 19 issue of the Dallas Morning News. I thought you might like an extra copy.

It is a tremendous honor to be profiled in this well-read and highly respected section. Your tremendous efforts and accomplishments are truly deserving of this special recognition.

It has been a pleasure working with you during my first term in the Legislature and I look forward to a cooperative and prosperous future for all of South Texas. Your help is always appreciated.

Once again, CONGRATULATIONS and best wishes.

Very truly yours,

Todd A. Hunter
State Representative
