Dear Mr. Alvarado:

Thank you for your recent correspondence expressing support of S. 665, legislation I have introduced to establish a White House Office of Hispanic Affairs. The measure is currently pending in the Senate Governmental Affairs Committee.

I was pleased to know of your interest and support for this legislative initiative, which I believe will help us deal more effectively with the problems and concerns of Mexican Americans and other members of the Hispanic community.

Again, thank you for contacting me on this matter of mutual concern.

Sincerely,

Lloyd Bentsen
