Re: Liberty Bell Award

Gentlemen:

The Chamber of Commerce of Corpus Christi is greatly indebted to Dr. Hector P. Garcia for his efforts in behalf of many causes which benefit our city, and particularly, our citizens. Dr. Garcia has probably been our strongest voice on our Military Facilities Committee, giving many hours to convincing the various authorities of the merit in maintaining Corpus Christi Naval Air Station as a naval air station. Dr. Garcia has given many hours in study and in support of the concept of an inshore deep water port.

Dr. Garcia is a man of his own convictions, which I think each of us should be. He supports those who share his convictions with much enthusiasm and hard work. I have only high praise and many thanks for his enthusiasm and hard work in connection with these causes which the Chamber supports.

Yours very truly,

Marshall Boykin, III
