WASHINGTON

Dear Dr. Garcia:

I am not familiar with the specific case that you mention, but I will look into it at once. Because we have so many cases pouring in each week, the majority of the investigations are being handled by government agencies and the investigative results are then reviewed by the staff of our Committee -- a staff that is necessarily small in number.

You will be hearing from us shortly.

Sincerely

Lyndon B. Johnson

I.A. I've talked to Sec Harry Keith personally and he will ask independent study he made at once by the Civil Service Commission. Let me know results.
