Dear Mr. Castillo:

I am pleased to have your letter of recent date and the information and material which you enclosed in regard to the activities of Manpower Education and Training, Inc.

I am pleased to be made aware of the scope of your activities in educational assistance to the migrant seasonal farm workers of this large West Texas area.

I am enclosing a brochure which includes a map of this 17th Congressional District which I thought might be of some help to you.

Please feel free to get in touch with me or my District Office in Abilene at any time you feel we might be of assistance.

With best wishes I remain

Yours sincerely,

Omar Burleson
