Hector P. Garcia, M.D.

My dear Hector:

Thank you so much for the photograph which you sent me that was taken on our recent visit to the Vice-President's ranch.

While I was in Laredo over the Washington's Birthday Celebration, Philip Kazen gave me four small photographs, two for me to give you and the others for us. I was waiting to go back to Corpus to give them to you, but I am happy to enclose them to you at this time.

With best regards, and hoping that I have the pleasure of seeing you when I return to Corpus Christi for a 2-weeks session next week, I remain,

Very truly yours,

Judge Reynaldo G. Garza.
