Dear Hector:

As you know, my friend, I was delighted to have the opportunity to assist you and Mrs. Lee in obtaining full information of the circumstances surrounding the pending courtmartial of her son, Joe Lee. I have just received the enclosed reply to my inquiry from General McC. Pate and I wanted you to have it.

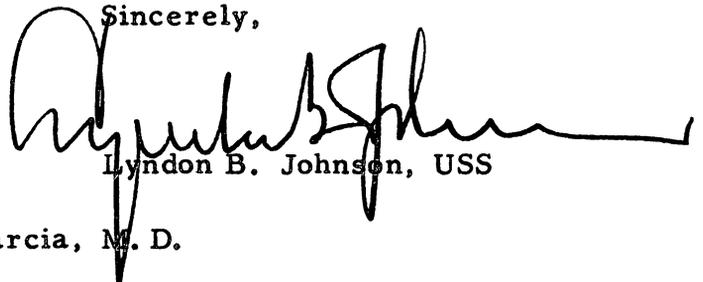

As you will note, the Headquarters, Marine Corps, has promised to keep me posted on developments of his trial.

Although I have no administrative authority in these matters whatsoever, I want to be as helpful to you and Mrs. Lee as I possibly can.

Of course, I will keep you posted on developments as they occur here, but don't fail to let me know if there is anything further I can do to be of assistance.

Warmest personal regards,

Sincerely,

Dear Doctor Garcia:

Thank you so much for your fine, understanding letter of May 14th. I deeply appreciate your consideration in asking me to come to your Convention at any time.

It gives me much gratification to know that the Flag I sent you will be raised at the start of the meeting.

Warm good wishes to you, always.

Sincerely,
