Dear Mr. De Anda:

PERSONAL AND CONFIDENTIAL

We are pleased to inform you that, as a result of a recent investigation of your professional standing, a file has been established which will support the publication of the "b v" rating for you in our next Edition.

You will be interested to learn also, if you do not know it already, that this rating indicates a lawyer of "high" legal ability and "very high" recommendations.

In view of the establishment of this rating, we also take pleasure in advising you that in connection with the subscription to our forthcoming Edition entered earlier in the year, you may now publish a professional card limited to fifteen words under and in addition to your name and address in the Geographical Section without further charge; words in excess of fifteen would be charged for at fifty cents each. The card may include telephone number, names of partners and associates, statement as to nature of practice and the names of any clients and/or references limited in number to twenty.

Attached are several attractive cards from the Geographical Section to assist you in submitting the copy for your card. When this is received your order will be amended accordingly.

Sincerely yours,

MARTINDALE-HUBBELL, INC.
