Cable Address "Bulac"

Dear Dr. Garcia:

I was delighted that all went so well for your despedida last week. We are all very sorry to see you go, but have enjoyed the time we spent together. I am sure our friendship will continue.

Many thanks for the fine letter you wrote to Mr. Rodriguez. These youngsters have much good will, but do very little homework. I am sure you straightened him out, as was needed.

Be sure of my best wishes and prayers for all blessings upon you and yours during this Christmas Season. Feliz Navidad y un ano nuevo muy bueno.

Devotedly yours,

Father Ted
