Dear Mr Casares

My Washington office told me about your stopping by after your meeting with Ambassador Petricioli on Friday.

It was good to learn that the Ambassador has agreed to look into the Spanish land grant matter further and to perhaps schedule another meeting sometime in the near future.

You can be sure that I will continue to help with this matter in any way that I can and that I will get back in touch with you as there are further, pertinent developments to report.

With my best wishes and highest regards, I am

Sincerely

E (Kika) de la Garza, M C
