**Ada Wilson Hospital of Physical Medicine and Rehabilitation is pleased to present Earl A. Stanley, Jr., M.D., our scoliosis specialty clinic physician.**

**Dr. Stanley, an orthopedic surgeon who practices with the Pediatric Orthopedic Associates of San Antonio, has extensive training and experience in the management of scoliosis. Affiliated with Ada Wilson Hospital's outpatient specialty clinic since January of this year, Dr. Stanley has received numerous pediatric patient referrals from our local medical community for scoliosis and other orthopedic problems during this time. An assistant clinical professor in the Department of Orthopedics, The University of Texas Health Science Center, San Antonio, Dr. Stanley has graciously accepted our invitation to present "Scoliosis: A Clinical Update."**
