Dr. Garcia,

I, as well as MEChA at Yale and the Yale Liberal Party, am anxiously awaiting your visit to Yale University. Enclosed is an example of the leaflets that will be distributed around campus.

I also want to thank you for the wonderful letter that you sent to the Truman Scholarship Committee. Seven students including myself have made it to the final stage of the process. We will all be interviewed Thursday morning and the two Yale representatives will be notified the following week. Wish me luck!

Sincerely,
