Dear Ms. Gutierrez:

I wanted to let you know that I will not be able to attend the American G.I. Forum Founder's "Freedom Banquet" on March 31. The National Association of School Boards will be having its annual convention in Houston beginning on March 31, and several members of our Board of Trustees and I will be attending that convention.

I regret very much that I must miss this "Freedom Banquet," particularly since Dr. Garcia is being honored that evening. I would appreciate your informing him that several of the Board members and I will be out of the city, and that we send our best wishes to him on this special occasion.

Sincerely,

Vance Littleton
