Mr. H. F. Pape
Gregory, Texas

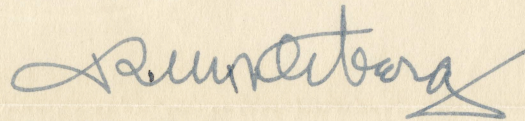

Dear Friend Pape:

Time does not permit more than this brief reply to your fine letter of September 11th.

With reference to your son Billy, it has been a real pleasure for me to say a good word in his behalf to Mr. J. O. Loftin, president of the Texas College of Arts and Industries, and I am hopeful that something may be worked out for him.

With the very best of good wishes, I remain

Always your friend,

Richard M. Kleberg
