Dear Dr. Garcia:

Thank you for taking time out of your busy schedule last Sunday to meet with me in Dallas. Your interview has helped me greatly in my efforts to write about the 1949 incident in Three Rivers involving Felix Longoria. I would like to visit the National Archives of the G.I. Forum at Corpus Christi State University to review any relevant documents.

Prior to visiting the archives, would you please send me copies of any official reports on the Longoria incident? I remember you telling me that the 272 page report was "lost," but any documents pertinent to the Longoria incident would be most helpful. It would also be helpful to have your authorization to use the archives if such authorization is necessary.

Best wishes on your book and other important G.I. Forum programs. I look forward to meeting with you again in the future if your schedule permits.

Sincerely,

Eric Jacobson
