Full institutional approval pursuant to California Education Code Section 94310(b) means:

- (1) The institution has facilities, financial resources, administrative capabilities, faculty, and other necessary educational expertise and resources to afford students, and require of students, the completion of a program of education which will prepare them for the attainment of a professional, technological, or educational objective, including, but not limited to, a degree;
- (2) The curriculum is consistent in quality with curricula offered by appropriate established accredited institutions which are recognized by the United States Department of Education or the Committee of Bar Examiners for the State of California and issue the appropriate degree upon satisfactory completion of specific qualitative academic programs; and
- (3) The course for which the degree is granted achieves its professed or claimed academic objective for higher education, with verifiable evidence of academic achievement comparable to that required of graduates of other recognized schools accredited by an appropriate accrediting commission recognized by the United States Department of Education or the Committee of Bar Examiners for the State of California.

THIS DOCUMENT IS VALID WHEN ACCOMPANIED BY AN ANNUAL VALIDATION RECEIPT Subject to earlier termination in accordance with law.
