Dear Hector:

I would like to keep you informed of the status of Mr. Henning Hallerman, whom you recommended for a summer intern position in my Washington, D.C. office.

This year, more qualified applicants than usual have applied for the limited number of internship positions. For this reason, I regret we were unable to offer summer internships to several highly qualified individuals, including Mr. Hallerman.

We have notified Mr. Hallerman that he was not selected and have encouraged him to reapply for the program next year.

Sincerely,

A handwritten signature in cursive script that reads "Lloyd".
