

Christmas 1990

Dear Mr. Garcia,

May these holidays be
joyous for you and all your
loved ones. May the in-
coming year be the best
one ever for you. May the
Good Lord Bless you and
keep you safe always.

My regards to everyone
who remembers me there
in Corpus, tell them that
they are remembered with
love and when I think
of the American G.I. Forum
I remember the good times,
and their friendly smiles
towards me, memories
that we shall cherish
always.

Best Wishes

for happy times

at Christmas

and throughout

the coming year
