

THE VICE PRESIDENT  
WASHINGTON

October 1, 1963

Dear Hector:

I am very happy that you were so frank with me in telling me the situation as you see it. There are a number of difficulties in the way of carrying out the steps that you propose -- especially since the appointments are not made by me directly but come from the President, and since the Executive Order places control of the staff in the Labor Department rather than in my office.

However, with the help of good friends like you I am confident that we will be able to work out the various problems and we will keep in touch with you. Thank you for your recommendations, which I always value. Best regards.

Sincerely

THE VICE PRESIDENT  
WASHINGTON

Dear Hector:

Congressman John Young conveyed your very kind invitation for me to address PASSO.

Although I would like very much to accept this engagement, I regret that it will be impossible. I will be in Scandanavia at the time.

Kindest personal regards.

Sincerely,
