Municipal Court

TO: Joe A. Garza, Judge
FROM: Sally Garza, Secretary
DATE: Sept. 8, 1986
SUBJECT: -PROSECUTORS NOT AVAILABLE-

On Sept. 8, 1986, you had an appointment with Councilmembers L. Strong, F. Mendez, and Acting City Manager E. Briones.

As usual, for a busy Monday, we were short handed on prosecutors and had only one prosecutor (E. Wynne) available attending to Court business. You were taking care of morning "Line-Up" and Judge Monkres docket hearings.

For as busy as we were, there were calls and people asking for prosecutors and again was not aware of their whereabouts.

Mr. Briones directed himself to me and said we all looked pretty busy. He further stated he had seen the judges and everyone else working except the prosecutors. "Where are the prosecutors?", he said.

I admit this was kind of an embarrassing situation, because all I could answer was, "I don't know".
