U.S.Congressman Henry B. Gonzalez Federal Office Building San Antonio, Texas

Dear Congressman Gonzalez:

Mr. Charles C. Foster, 421 Rita Drive, Corpus Christi, Texas told me that he had recently written you a letter asking you for summer employment in 1966 on your staff.

I am interested ih helping harles get challenging work in Washington as a basis for future career planning, as I feel like he is well qualified, and I have known and liked Charles and his mother for a number of years.

If you have an opening on your staff, or know of one in one of the governmental agencies, such as in the Labor, Justice, Commerce or State Departments, I will appreciate whatever you can do to help him secure such a position.

I am attaching a resume of Charles' scholastic record and activities.

Sorry I missed you while you were here but I had an engagement in Fort Stockton for six months. Hope to see you soon. Please see what you can do to help Charlie. He deserves our consideration. He is an Anglo and so is his mother, yet his mother has spent over fifteen years in Cancer work helping our people so much that I feel so grateful to her. This is a personal favor that I am requesting.

My family and my staff send you their regards. Como siempre

Su amigo y admirador.

Hactor.
