Dear Dr. Garcia:

It has meant a great deal to the National Urban Coalition to have had you with us on the Steering Committee helping us to deal with the urgent problems of our cities.

As your term on the Steering Committee of the National Urban Coalition expired on January 31, 1974, I want to take this opportunity to thank you again for your support and efforts in forwarding the goals of the Coalition.

We hope your interest in the Coalition will continue and that we can call on you from time to time for your advice and counsel.

With best regards.

Sincerely,

M. Carl Holman
