USAID/Quito c/o American Embassy Quito, Ecuador

Dear Hector:

The enclosed clipping is for possible use in the radio station. Ask the announcers to appeal for help on "Operation Amigo".

Received the newspapers clippings on the PASSO endorsements. I also received some clippings in which it was said that the PASSO organization had split on the endorsement for governor and some statements by Dr. Sanchez.

I hope something can be done about "Operation Amigo". So long for now.

Tu amigo,

Vicente
