Dear Dr. Garcia:

This letter is a reply to your memorandum you had Mrs. Maria Ramirez the widow of above listed veteran hand carried to my office back on July 1, 1969. She was given an interview at this office and a determination for assistance in the way of Death Pension Benefits for her and her minor children could not be made at that time due to fact that she did not have available a copy of deceased veteran's military separation documents.

Since that time, the documents have been procured and I am sorry to relate that veteran had peacetime service only and consequently this will not entitle her to monetary benefits.

Mrs. Ramirez has been informed of this determination and she has been thoroughly instructed as to the qualifications to be entitled to widow's benefits.

I am very sorry that due to period of service he served, we were not able to assist her.

Yours truly,

PHILIP C. ORTIZ
