Dear Congressman Young:

I take this opportunity to personally thank you for your efforts in assuring that SER received a substantial increase on its annual budget. Our national funding now stands at \$18,000,000 with \$584,176 presently allocated to Corpus Christi.

One of the foremost leaders of the Spanish-speaking, Dr. Hector Garcia, recently communicated to us your accomplishments in the House Rules Committee. Through farsighted statesmen such as yourself, the Chicano community is beginning to receive some of those benefits that are characteristic of our great country.

Fully realizing that significant manpower and educational legislation will be enacted by the 93th Congress, we look forward to meeting with you to discuss our concern for the Spanish-speaking people we serve.

Sinceramente,

Ricardo Zazueta
National Director
