Dear Dr. García:

All of us at The Ex-Students' Association are delighted that you have been selected a 1989 Distinguished Alumnus, and we are looking toward the Awards weekend -- October 6 and 7 -- with great anticipation. We are enclosing a list of the other recipients who are being honored, along with a copy of last year's program so you can see the names of those who have been honored in past years.

The weekend will be a busy one and to make everything run smoothly, we need your assistance with the following.

1. **By May 1, please:**

- A. Send us a biographical sketch and ten copies of a recent black and white photograph to be used for news stories and the printed program.
- B. Return the enclosed Information Form.

2. In preparation for a five-minute film about your life, which will be shown at the Awards ceremony, begin gathering up photographs, newspaper clippings, scrapbooks, etc., that can be used. Ernestine Wheelock, the scriptwriter, many have already set up an appointment with you for an interview. From that interview and your memorabilia, she will compose a narrative and pictorial account on the highlights of your life.
