Dear Dr. Garcia:

Governor Briscoe has asked me to contact you relative to his recent appointment to the University of Texas Board of Regents.

As you know by now, the Governor was unable to nominate your excellent recommendation of Dr. Clotilde Garcia. This should in no way reflect upon the outstanding qualifications of your nominee and I assure you that it was an extremely difficult decision on the part of the Governor.

We want you to know that your advice and recommendation will always be welcomed by the Governor and I sincerely hope that he can continue to count on you in the months and years ahead.

If I may be of some future service to you, I sincerely hope that you will call upon me.

Sincerely,

A handwritten signature in cursive script that reads "George Lowrance".
